## 1. INTRODUCTION

- 1.1. The London School of Science and Technology (LSST) understands that the success and continuity of its courses are underpinned by the recruitment selection and admission of students who have the academic readiness, learning potential and motivation not merely to succeed in their course of study, but to fully engage with the School in jointly enhancing the quality of its learning opportunities.
- 1.2. The School's Admissions Policy accords with the School's mission to support individuals of all backgrounds, abilities and aspirations to fulfil their potential through learning, achievement and progression.
- 1.3. The School has adopted the *UUK Fair Admissions Code of Practice*<sup>1</sup>, and this policy has been developed to ensure that the institution's recruitment and admissions practices uphold fairness and transparency, protect applicants, maintain high academic standards, and support the stability of the higher education sector.
- 1.4. The Admissions Policy and its associated procedures have been developed in alignment with the *Office for Students' Regulatory Framework and the Core Practice of the UK Quality Code for Higher Education (August 2018)*<sup>2</sup>.
  - Policies and procedures for application, selection and admission to higher education courses are transparent and accessible.
  - Higher education providers use fair, reliable and appropriate assessment methods that enable them to select students with the potential to complete the course successfully.
  - Higher education providers reduce or remove unnecessary barriers for prospective students.
  - Information provided to prospective students for recruitment and widening access purposes supports students in making informed decisions.
  - All staff, representatives and partners engaged in the delivery of admissions, recruitment and widening access are appropriately trained and resourced.
  - Providers continually develop widening access strategies and policies in line with local and national guidance.
- 1.5. The policy also takes account of the *Office for Students* requirement that '*students are recruited to courses for which they have the capability to achieve a successful outcome*'.

<sup>2</sup> [UK Quality Code, Advice and Guidance: Admissions, Recruitment and Widening Access](#)

1.6. *The Competition and Markets Authority (CMA)* provides guidance to UK higher education institutions to clarify their obligations under the Consumer Rights Act 2015<sup>3</sup>. These responsibilities apply to the contractual relationship between a university or college and its prospective and enrolled students. The CMA guidance focuses on three key areas:

- Information provided to prospective and current students should be up front, clear, timely, accurate and comprehensive.
- Terms and conditions for students should be fair.
- Complaint handling processes and practices should be accessible, clear and fair.

1.7. The policy and associated procedures are also in line with the *Competition and Markets Authority Guidance for Higher Education*.

1.8. This document serves as a point of reference for all involved in the admission of students to the School's higher education courses, as well as prospective students seeking to better understand the School's admissions processes and procedures.

## 2. SCOPE OF THE POLICY

2.1. These procedures cover the recruitment and admission of students to Higher Education Courses including undergraduate and postgraduate Courses.

2.2. The Policy should be read in conjunction with the LSST's Access and Participation Plan which sets out its aims and objectives for its widening access participation activities.

## 3. GUIDING PRINCIPLES

- Ensuring that prospective students have access to the information they need to make informed decisions about higher education and the School's application process.
- Implementing prospective student assessment and vetting procedures which are robust and applied consistently, and which duly recognise a prospective student's prior learning and experience.
- Using a variety of means to assess that prospective students have provided genuine documentary evidence to support their admission, and are themselves earnestly committed to study.
- Ensuring that applied-for courses represent academic progression, taking into account a prospective student's prior learning.
- Removing unnecessary barriers to study that might prevent certain groups from making a successful application and ensuring that prospective students are supported throughout the admissions process.

#### 3.5. LSST will at all times:

- Provide a responsive, professional and student-focussed service.
- Ensure that prospective students are guided through the application processes and competent advisors, who are thoroughly briefed and kept well informed about learning opportunities on offer from the School.

- Relate feedback, if requested by a prospective student, as to why an application was unsuccessful.
- Provide a clear and accessible complaints process for admissions-related complaints which facilitates fair and timely resolution.

- Provide comprehensive induction and orientation activities to help students make the transition to study.

3.6. In accordance with the OfS Transparency Condition, information relating to applications, offers, acceptances, and enrolments will be published and analysed by sex, ethnicity, and socio-economic background. - 7.2.4. All applicants will be asked to submit supporting documentation specified in section 7.2.1.
- 7.2.5. Additional evidence or documentation may be required in order for the School to reach a decision; where this is the case the prospective student will receive a clear

explanation as to why this information is needed and how it will be used in the admissions process.

- 7.2.6. The School may require evidence of personal, professional, and educational experience that provides indication of an applicant's ability to meet the demands of the course.
- 7.2.7. All applicants will need to demonstrate they have the required prerequisite knowledge and motivation to study and complete their desired course; an applicant seeking entry to a course must satisfy the School that there is a reasonable expectation they will be able to fulfil the defined objectives and to achieve the standard required for the award.
- 7.2.8. The School employs a range of assessment techniques to assess the suitability of applicants for their chosen course.
- 7.2.9. Prospective students are required to attend a *finance consultation* with a member of the Admissions team and/or Student Finance Officer. The purpose the finance consultation is to provide applicants an opportunity to discuss affordability and eligibility for any financial support. 7.3.3. All supporting documentation must be submitted in its original form. Photocopies or uncertified copies will not be accepted under any circumstances.

7.3.4. LSST will carry out checks on documents supplied by applicants to establish authenticity in order to guard against fraudulent applications. Please refer to section 14 for more information.

- 7.3.5. For applications submitted through UCAS, if the UCAS Similarity Detection Service identifies a personal statement as “non-original,” the applicant will be given an opportunity to explain the similarity and submit a revised personal statement.

## **7.4. English Language Requirements**

- 7.4.1. As all teaching, learning, and assessment at LSST is conducted in English, unless otherwise approved, applicants must demonstrate that they meet the required level of English language proficiency for their chosen course of study.
- 7.4.2. Applicants whose first language is not English are required to hold a recognised English language qualification, such as IELTS (International English Language Testing System) CEFR (Common European Framework of Reference for Languages) or an equivalent qualification at the level appropriate for their chosen course of study. Accepted equivalent qualifications are detailed on the LSST website.
- 7.4.3. The only exception applies to applicants who are residents of, or have completed qualifications in, countries approved by the UKVI, as listed on the government website.
- 7.4.4. Each course will state an overall IELTS score (or equivalent) together with any individual element requirements, as and where appropriate.
- 7.4.5. Applicants whose English language proficiency does not meet the requirements for their intended course of study will be referred to complete an English language course.

## **7.5. Screening for Accreditation of Prior Experience (SAPE)**

- 7.5.1. Applicants who are unable to present relevant qualifications on application will be considered via non-standard entry and can apply on the basis of prior learning which is acquired through personal and professional experiences. This learning can take place at work, home or leisure activities and if they can be measured and are relevant to the course then applicants can apply for SAPE.
- 7.5.2. The SAPE may not be required of applicants who have submitted any Level 3 qualifications.
- 7.5.3. This process does not apply where a student seeks to use prior learning to obtain credit towards an award or exemption from part of a course. Such applications are instead dealt with as admissions with Advanced Standing.
- 7.5.4. For more information, please refer to *LSST's Recognition of Prior Learning and Credit Transfer Policy*.

## **7.6. Prospective Student Interviews**

- 7.6.1. Course academics will consider the suitability of prospective students by holding applicant interviews, which also provide an opportunity for prospective students to learn more about the course as well as the School's approach to teaching and learning.
- 7.6.2. Where prospective students have recently been in formal education, the interview will explore their previous study experiences and achievements. Where prospective students have not recently been in education the interview will focus on prior

professional experience with reference to an applicant's employment history, personal statement, SAPE, or APL submission.

7.6.3. The academic interviewer may further request additional interviews for the applicant with a more senior academic staff member, senior admissions officer, or the Student Support department depending on the nature of the application. Please refer to section 8 for more information.

7.6.4. Prospective students must attend all interviews to which they are in order for their application to progress.

## 7.7. Consideration and Approval of Applications

7.7.1. Applications will be assessed against the entry criteria. Those students who meet and who have the potential to meet the criteria will be given an offer subject to places being available.

7.7.2. Applications for APL and APCL will be referred to the APL Panel. *Please refer LSST's Accreditation of Prior Learning and Credit Transfer Policy for more information.*

7.7.3. Where courses are full and/or waiting lists are held, or when courses have to be closed for any reason, applicants are informed as soon as practicable with the offer of alternative courses, wherever possible.

7.7.4. If the application is deemed unsuccessful, applicants can appeal the decision. (See section 11 for Appeals).

## 7.8. Acceptance of an Offer

7.8.1. Once an applicant has received an offer of a place at LSST, they are required to formally accept the offer in accordance with the instructions provided. Acceptance may be conditional or unconditional, depending on the type of offer issued.

7.8.2. **Conditional Offers:** Applicants must meet all specified conditions, such as academic qualifications, English language requirements, or submission of required documentation, by the deadlines stated in the offer. LSST will monitor the fulfilment of these conditions and confirm enrolment once all requirements have been satisfied.

7.8.3. **Unconditional Offers:** Applicants who receive an unconditional offer may accept the offer immediately and proceed with enrolment.

7.8.4. Applicants can accept their offer through the method specified in their offer letter, which may include the UCAS system or LSST's online application portal.

7.8.5. LSST reserves the right to withdraw or amend an offer if it is discovered that information provided by the applicant is incorrect, incomplete, or misleading. Applicants will be informed promptly of any changes to their offer.

7.8.6. Acceptance of an offer marks the point at which the signed Enrolment Terms and Conditions become effective; cancellations and refund terms and conditions will be effective from the day the School confirms acceptance of an offer.

7.8.7. Following acceptance of an offer and once any condition(s) have been met by the applicant, the Admissions team will provide information about enrolment and induction events the student must attend to formally commence their studies.

7.8.8. LSST will also provide the offer holder with any updates to the course and any changes made.

7.8.9. Where the School is minded to reject an application, the reason for refusal will be communicated to the applicant, along with information about the admissions appeals procedure and how they might successfully reapply in the future.

## **7.9. Induction**

7.9.1. LSST will provide a comprehensive and appropriate induction to all new students as part of their formal enrolment onto study courses.

7.9.2. The purpose of induction to study courses is primarily to:

- Prepare students for the rigors of study and adjusting to academic life.
- Familiarise them with the School's campus layout, facilities, support services and its Virtual Learning Environment.
- Provide students with the information and resources they need to begin their studies (such as handbooks and timetables).
- Introduce students to key staff members and make formal introductions.
- Provide new students with their LSST Student ID Cards.
- Assist students with their enrolment.

7.9.3. The School will normally notify students of their induction details at least 14 days prior to the induction date, except where students enrol to courses late, in which case they will be notified as soon as possible.

7.9.4. Students' attendance at inductions is a mandatory requirement of the course and the School will inform students of this.

7.9.5. *More information about student inductions is given in the School's Student Induction Policy.*

## **8. OUR COMMITMENT TO EQUAL OPPORTUNITIES AND WIDENING ACCESS**

### **8.1. Access and Participation**

8.1.1. The School's recruitment and admissions strategies are guided by a commitment to upholding equality of opportunity and fostering diversity.

- 8.1.2. LSST will ensure that no student is treated less favourably or disadvantaged during the admissions process for reasons of their race or ethnicity, religious belief, sex, sexual orientation, gender reassignment, marital or civil partnership status, pregnancy, maternity, age or disability, including mental health.
- 8.1.3. The School seeks in particular to extend the reach of higher education to persons underrepresented in higher education; particular focus is given to the recruitment of students in local communities where the School has teaching locations.

## **8.2. Disabilities and Specific Learning Differences**

- 8.2.1. The School welcomes applications from all disabled applicants, those with specific learning difficulties and special needs.
- 8.2.2. Applicants with a disability or specific learning differences are encouraged to consult with LSST at the earliest opportunity to determine appropriate forms of support. This can be done through the School's online application form, during the interview, or by speaking to a member of the Admissions team. Early disclosure enables the School to provide students with appropriate information and make reasonable adjustments as early as possible.
- 8.2.3. Where a disability or specific learning difference is disclosed, applicants will be invited to attend an interview with a member of the Wellbeing Team to discuss the nature of the disability or learning difference. Applicants may be required to submit suitable supporting evidence from a recognised body, which confirms the nature of the disclosed disability. The application will be referred by the Wellbeing team to the Admissions Panel for consideration.
- 8.2.4. Should the School be unable to accommodate any particular support needs, or can only do so by compromising the learning experience which would disadvantage the applicant, the School will inform the applicant immediately as soon as the situation is apparent.

## **8.3. Prospective Students with Criminal Convictions**

- 8.3.1. London School of Science and Technology wants to make sure that everyone who will benefit from higher education may access it. In this situation, having a criminal record does not automatically rule out admission to the desired course. The Rehabilitation of Offenders Act (1974) governs how all criminal convictions including warnings, reprimands, and cautions are taken into account, and the School will only take into account convictions that are relevant.
- 8.3.2. The School must take into account all convictions, including warnings, reprimands, and cautions, for applicants who are applying for a course that requires an Enhanced Disclosure and Barring Service (DBS).
- 8.3.3. Applicants can check if their desired course requires a DBS check by contacting the Admissions Team on [admissions@lsst.ac](mailto:admissions@lsst.ac) or by starting their online application at <https://online.lsst.ac>
- 8.3.4. For those applying for other courses that do not require a DBS check, the School will solely request disclosure of relevant unspent convictions that could endanger the health and safety of other students or the School's employees. Relevant unspent

convictions in this case, whether they were obtained in the UK or elsewhere, are associated with:

8.3.5. Any kind of violence including (but not limited to) threatening behaviour, offences concerning the intention to harm or offences which resulted in actual bodily harm.

- Sexual offences, including those listed in the Sexual Offences Act 2003.
- The unlawful supply of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking (drug offences only involving possession are not relevant offences).
- Offences involving firearms.
- Offences involving arson.
- Offences involving terrorism.

8.3.6. Applicants who have declared any previous convictions will be invited to attend an interview with a Senior Admissions Officer. Following this interview, the application will be referred by the Senior Admissions Officer to the Admissions Panel for consideration.

8.3.7. The Admissions Panel exercises the School's duty of care towards its employees and students. Their safety and security are its prime concern and it is responsible for assessing the risk of admitting an applicant.

8.3.8. The School retains the right to refuse entry to any applicant with a previous criminal conviction which may jeopardise the security, safety, or reputation of the School or its community, or where there are relevant professional criteria that apply.

8.3.9. Applicants will be notified of the outcome of these assessments. The Admissions Panel may request additional information or documentation from the applicant to enable the Panel to make a formed decision.

8.3.10. In cases where applicants are unsuccessful, an explanation will be provided by the designated Senior Admissions Officer of the Admissions Panel.

## **8.4. Applications from Under 18's**

8.4.1. LSST does not operate a minimum or maximum age requirement for its courses and it does not discriminate on the grounds of age. Applications to study at LSST are assessed on merit. Applicants who would be under the age of 18 when they enter a course must be able to demonstrate relevant qualifications to meet entry requirements, academic potential and the necessary personal skills to succeed on our courses.

8.4.2. There may be additional restrictions for students wishing to start their course when they are under 16 in line with LSST's sponsor<sup>5</sup> licence for international students, and

---

<sup>1</sup> The full or partial insertion of this text into the Admissions Policy assumes that a full or partial Under 18s Policy is available. In the first instance there will need to be specific procedures to obtain parental/guardian consent for home and overseas students who are offered a place to study and

under 18 at the start of the course in line with some restrictions place on some activities in some courses . Where appropriate, entry onto a course may be offered on a deferred basis.

- 8.4.3. Under UK law, those who are under 18 years of age are considered to be children. Study at LSST is within an adult environment and LSST will not be able to take on the usual rights, responsibilities which are guardians have in relation to a child and it will not act in loco parentis (assuming parental responsibility) in relation to students who are under the age of 18. Whilst all students are treated as independent, mature individuals, applicants who enter their course whilst they are still under 18 will need to understand that they will be studying in an adult environment and there may be a small number of limitations for them at the College while they are under 18.
- 8.4.4. Applicants who would be under the age of 18 when they enter the course will be required to provide parental consent and to prove they have guardianship in the UK. If a student's parent does not reside in the UK, they will need to appoint a UK Guardian. Whilst under the age of 18, parents and UK Guardians hold responsibility for the student until they reach the age of 18. No student will be permitted to register onto a course at LSST without parental/guardian consent being provided.
- 8.4.5. LSST has a clear Under 18s Policy and Procedures in place to ensure the safety and wellbeing of any student admitted under the age of 18. LSST does have additional responsibilities towards students it admits who are under the age of 18 prior to the start of their course, until the date on which they turn 18. Once the student has turned 18 years of age, this Policy will not apply. The Policy should be read in conjunction with LSST's Safeguarding Policy.
- 8.4.6. The full Under 18s Policy and Procedures for admission and study can be found [here](#).
- 8.4.7. The Safeguarding Policy can be found [here](#).

## 9. DISTANCE RESTRICTIONS AND TRAVEL ARRANGEMENTS

- 9.1. To ensure applicants are able to fully participate in their studies and meet campus-based requirements, all applicants applying to study at LSST are expected to reside within a 50-mile radius of their chosen campus.
- 9.2. Applicants whose primary residence is located more than 50 miles from the selected campus will be required to complete a Travel Form as part of the admissions process.
- 9.3. The Travel Form must detail the applicant's proposed travel arrangements, confirm their understanding of any associated financial or logistical commitments, and provide

would enter the course under the age of 18, and some mechanism for LSST to contact parents/guardians and confirm consent.

<sup>5</sup> Terms of LSST Tier 4 Sponsor Licence will need to be assessed and confirmed [here](#)

<sup>3</sup> This will need to be assessed by course –are there activities in the first part of the course that could not be undertaken by children? If so, is there a threshold point (say 31<sup>st</sup> December of the first year) after which if the student has become 18 they could undertake those activities later in the year to meet the requirements of the course? For example, there may be activities that require a DBS check which may not be permitted for those under 18. This is course-specific.

evidence that they can reliably and consistently attend all scheduled classes and academic activities.

- 9.4. LSST operates multiple campuses across the UK. Where an applicant resides closer to a different LSST campus than the one initially selected, they will normally be advised to apply to the nearer location. This approach supports student accessibility, promotes academic success, and ensures alignment with attendance expectations.
- 9.5. LSST reserves the right to request additional supporting evidence or to decline an application if the proposed travel arrangements are considered impractical, unsustainable, or likely to impact the applicant's ability to engage fully with the course.

## **10. APPLICANTS FROM MULTIPLE OCCUPANCIES**

- 10.1. In order to maintain the integrity of the admissions process and minimise the risk of fraudulent or coordinated applications, LSST may place limits on the number of applicants accepted from a single residential address within a given intake.
- 10.2. While all applications will be assessed on their individual merits, additional verification checks may be carried out where multiple applications originate from the same address.
- 10.3. Where necessary, applicants may be required to submit further supporting documentation. Applications may be declined if the information provided does not meet LSST's admissions standards or raises concerns regarding compliance or authenticity.

## **11. FEEDBACK, COMPLAINTS, AND APPEALS**

### **11.1. Appealing a Refused Application**

- 11.1.1. Applicants who are unsuccessful in their application to study at the School and who wish to appeal the decision, may appeal in writing to the Admissions Panel.
- 11.1.2. Applicants can submit an appeal by completing the Admissions Appeal Form available on the School website.
- 11.1.3. Applicants must submit an Appeal within 20 working days of receiving a decision outcome on their application. The Admissions Panel will consider the appeal if the applicant can show that:
- Refusal was given as a result of the applicant not being properly assisted throughout the admissions process, or not being given the information they needed.
  - There was an administrative error in considering the application to study which led to the refusal, for example:

- The application was considered against the wrong entry requirements for that course, or
- Supporting evidence provided by the applicant has not been considered, or
- The School has not followed its normal procedures (as outlined in this guide), or applied them fairly, and this has had a material impact on the decision of refusal.

11.1.4. The Admissions Panel will normally reply in writing to student appeals within 10 working days. If there is a delay in replying, the applicant will be notified of the reason for the delay.

11.1.5. Where the appeal is upheld, the response will indicate the outcome of the School's reconsideration of the application.

11.1.6. The Admissions Panel's decision will be considered final.

## **11.2. Submitting a Complaint as an Applicant**

11.2.1. LSST is committed to providing fair, transparent, and consistent admissions procedures for all of our applicants. We recognise, however, that there may be occasions when applicants are dissatisfied with the conduct of the admissions process in which-case they may invoke the Admissions complaints procedure.

*NB: The admission complaints procedure is distinct from the Student Complaints Procedure.*

11.2.2. The complaints procedure may be invoked by any individual who has submitted an application to study at the School.

11.2.3. A complaint should only be made by the applicant; complaints made on behalf of the applicant by parents, representatives, or another third party will only be considered in exceptional cases where there are clear reasons for doing so. Complaints that are made anonymously cannot be dealt with under this Complaints procedure.

11.2.4. An applicant making a complaint, and those whom the complaint is made about, can expect the complaint to be dealt with confidentially. It may be necessary, however, to disclose information to others in order to deal with the complaint and in these circumstances, the parties concerned will be informed of such disclosure.

11.2.5. The applicant should first raise their complaint informally with a member of the Admissions team. In most cases, this would be the member of staff who processed the application unless the complaint is about that individual. In such cases, the complaint may be addressed to an Admissions Officer.

11.2.6. If the applicant is unable to resolve the complaint informally with the relevant member of the Admissions team, they should submit a complaint form available on the School's website.

11.2.7. A Senior Admissions Officer will acknowledge in writing receipt of the complaint. The Senior Admissions Officer will then investigate the complaint and submit a written

response to the complainant within 10 working days from acknowledgement of receipt of the complaint.

11.2.8. If the applicant is still dissatisfied with the outcome of the Senior Admissions Officer's investigation, the applicant may further write to the Head of Admissions. The Principal will be made aware of complaints escalated to this level.

11.2.9. The Head of Admissions' decision upon the investigation of the complaint will be considered final.

### **11.3. Submitting a Complaint as an Enrolled Student**

11.3.1. LSST is a member of the Office of the Independent Adjudicator for Higher Education (OIA), which provides an independent review service for student complaints.

11.3.2. Applicants should note that the OIA normally considers complaints from students who are enrolled with a higher education provider. Once an applicant has accepted an offer and enrolled as a student, they are entitled to use LSST's internal complaints and appeals procedures which can be found at <https://www.lsst.ac/about/lsst-policies/>

11.3.3. If a student has exhausted LSST's internal procedures and remains dissatisfied with the outcome, they may be eligible to refer their complaint to the OIA for independent review. Information about the OIA, including eligibility criteria and how to make a complaint, is available at: [www.oiahe.org.uk](http://www.oiahe.org.uk)

11.3.4. Please note that the Office of the Independent Adjudicator (OIA) cannot consider complaints about admissions. Complaints from applicants will be considered in accordance with LSST's Admissions Appeals and Complaints procedure outlined in section 11.2.

### **11.4. Requesting Feedback on an Unsuccessful Application**

11.4.1. Prompt and clear feedback will be provided to applicants who have not been offered a place where requested, and advice about alternatives and future options will be given, as appropriate.

## **12. PROSPECTIVE STUDENTS' PERSONAL DATA**

12.1. The School collects, retains and processes certain types of data, in various formats, about its applicants, current and past students' in order that it can fulfil its functions as an education provider. The School complies with the *Data Protection Act (2018)* with regard to the treatment of applicants' personal data.

## **13. APPLICANTS' OBLIGATIONS**

13.1. Applicants must apply through the appropriate channel as outlined on LSST's website.

13.2. Applicants are responsible for ensuring that LSST is in receipt of all relevant information in order for LSST to make a decision on their application and that all

information is accurate. Omission of relevant information, or the supply of inaccurate information, may invalidate the application or the offer of a place.

## **14. FRAUD AND PLAGIARISM**

- 14.1. LSST will carry out checks on documents supplied by applicants to establish authenticity in order to guard against fraudulent applications.
- 14.2. Any applications found to contain deliberately misleading or fraudulent information by the University, identified through the UCAS Similarity Detection Service, or found to be fraudulently claiming extenuating circumstances, will be rejected by LSST.
- 14.3. This information may also be shared with the UCAS verification team for further investigation and may result in other UCAS choices being contacted or the UCAS application being withdrawn entirely.

## **15. REVIEW AND UPDATE**

- 15.1. Responsibility for reviewing and evaluating the effectiveness of the Admissions Policy resides with the Academic Board. Updates to this policy will be coordinated by the Head of Admissions, all revisions and amendments will be reviewed by the School's Executive Committee and ratified by its Board of Governors.
