- 1.2. This constitution shall be subject to review by the Union Council and the School at least every three years, in accordance with the Education Act 1994.
- 1.3. As a School under the Education Act 1994, LSST has a statutory duty to ensure that the Union operates in a fair and democratic manner and is held to proper account. The Union therefore will operate in a manner that ensures that the affairs of the Union are properly conducted and that the educational and welfare needs of the Union's members are met.

## 2. **What is a Constitution?**

- 2.1. A constitution is a legal document that sets out the activities and procedures of the Student Union. The constitution is made so that the Union is recognised by other bodies – particularly School governors and the National Student Union (NSU). The constitution makes sure that the rules and procedures used by LSST's Student Union are efficient, transparent and accountable to the members.

### 2.2. **The Constitution:**

- Provides the framework for the operation of the Union;
- Outlines where and how union members can air their concerns;
- Shows how the executive committee can act on behalf of members;
- Defines what the Union can or cannot do.

### 2.3. **Name and Form**

The name of the Student Union is "LSST Student Union", and it shall be an unincorporated association governed by this constitution.

### 2.4. **The Mission Statement**

The mission of the LSST Student Union is:

"We aim to develop and maintain meaningful, imaginative, reciprocal and sustainable relationships with our students in and out of the classroom in an effort to engage students, enable a free and independent student voice, contribute towards their educational journey whilst in the School and foster success during their studies and beyond".

## 2.5. **Constitution Sections**

The constitution is made up of three sections:

1. Aims and Composition;
2. Operational Information; and
3. Regulations

## 2.6. **Amendments to Constitution**

Only the Union Executive will be permitted to amend the constitution and schedules. All amendments will be subject to the approval of the School before they can be implemented.

All amendments to the constitution or schedules will require the support of a minimum of two-thirds of the members present who are entitled to a vote at a Union Executive meeting.

The constitution will be reviewed by the Union Executive annually, and by the School at least every 5 years, from the date of the current document's implementation.

## 2.7. **Code of Practice**

The Code of Practice is reviewed and approved annually by the LSST Executive Committee in accordance with the requirements of clause 22(3) of the Education Act 1994, which requires that the governing body of LSST shall take such steps as are reasonably practicable to secure that the Union operates in a fair and democratic manner and is accountable for its finances. The Code of Practice at the time the Constitution was approved is set out below. The latest code of practice will be published on the LSST Connect VLE and the Student Union website, and should be read in conjunction with the constitution, schedules and appendices.

### 2.7.1. Constitution

The Union will have a written constitution, approved by the School and reviewed by the School annually, and in any case at least every 5 years, as part of its annual policy review by the Quality Unit. Any amendments to the constitution will be approved by the School Executive Committee.

### 2.7.2. Opt Out

Students have a right to opt out of the Union within six weeks of joining their course. The School and Student Union are committed to ensuring that the decision to opt out does not result in restricted access to services or another unfair disadvantage.

The right to opt out is brought to students' attention in the Orientation Week presentations.

### 2.7.3. Election

The Student Union Coordinator (an employee of the School reporting to the Executive Committee) will conduct independent elections once every new term in order to facilitate changes of exiting students (completions) and entering students (new starters), to ensure that elections are fair and properly conducted.

All major Union offices (the Union Executive) are elected by a secret ballot in which all members are entitled to vote.

Any sabbatical or other paid voting Union office created by Union can only be held by any one individual for a maximum of two years.

### 2.7.4. Finances

The conduct of the financial affairs of the Union will be monitored by the Student Union Coordinator and the Union Executive on behalf of the School, who shall appoint a Finance Officer from the Union Council. #### 2.7.7. Complaints

Complaints by any students who are dissatisfied with their dealings with the Union will be dealt with according to the complaints procedure outlined in Section 3 paragraph 5.1 of this constitution. The complaints procedure provides for investigation and reporting by the Student Union Coordinator, who is an independent person appointed by the School.

The School Executive Committee will review annually:

- Summary reports produced by the Union Executive as part of its annual report to the School on all complaints pursued by means of the constitutional complaints procedure, including those from students who allege unfair disadvantage after opting out of membership; and
