1. General

- 1.1. This document supplements several other School Policies and Regulations that govern student conduct and behaviour, as well as the use of specific facilities and services. Students are expected to become acquainted with the other School regulations, policies, and documents referred to.
- 1.2. Students agree to follow the Student Code of Conduct by signing the LSST Application/ Registration Form.
- 1.3. The Student Code of Conduct and Disciplinary Procedures do not apply to any misconduct that occurs after a student has ceased to be enrolled. However, with the exception of spent convictions that, in the opinion of the Admissions Officer, indicate that there may be a threat to good order and/or safety or the good name of the School, the School reserves the right to take action against a student for misconduct prior to enrolment.
- 1.4. When behaviour resulting from a diagnosed or suspected mental illness violates the Code of Conduct, the Disciplinary Procedures will normally be used if medical and counselling interventions have failed to adequately address the problem behaviour or have been refused by the student. However, when implementing the Disciplinary Procedure, the Registrar and/or Disciplinary Panel must keep the *Equality, Diversity, and Inclusion Policy* in mind.
- 1.5. Admonishment, counselling, or mediation should be used where appropriate in all circumstances to achieve the goals of these Regulations and Procedures.
- 1.6. The LSST Executive Committee may amend or replace the Student Code of Conduct and Disciplinary Procedures at any time. Any changes made are deemed to take effect immediately.
- 1.7. Students are expected to adhere to LSST Student Code of conduct throughout their studies and will apply to all behaviour which takes place:
 - On or in close proximity to LSST premises;
 - At any temporary sites used by LSST for teaching/examinations;
 - During online or distance learning teaching sessions;
 - On social media or online engagement platforms;
 - During any LSST organised or sponsored events, placements, visits, and/or study trips;
 - At any point when the student has been asked to represent LSST;
 - When using and accessing all LSST IT services and online networks, both off and on LSST sites.
- 1.8. The LSST Registry and Quality Unit will ensure that the Student Code of Conduct and Disciplinary Procedures are reviewed regularly and recommend such changes

as are necessary.

- 1.9. It is the Student's responsibility to become familiar with LSST's policies which are available from the LSST Connect.
- 1.10. When students enroll, they will be given information on how to access the full range of School policies, rules, and regulations. The information will remain available on LSST website, student portal and student handbook. A printed copy could also be requested on request.
- 1.11. Any disciplinary incident involving a student that may result in suspension and/or exclusion shall be handled in accordance with LSST's policies and procedures. LSST and DMU have agreed to work together fully in the event of a disciplinary incident.
- 1.12. The LSST Executive Committee may from time to time amend these Student Code of Conduct and Disciplinary Procedures or replace them entirely. Any changes effected shall be deemed to have immediate effect.
- 1.13. Where the term Registrar is referenced in this policy, this includes the authorised nominee from the Registry department. In most cases, this will be the Assistant Registrar or a designated registry officer.

- 2.4.3. **Gross Misconduct** is a behaviour which demonstrates a fundamental breach of behavioural standards and may jeopardise the safety and security of the LSST community.
- 2.4.4. Incidences of minor misconduct should be addressed immediately by campus staff in an effort to minimise impact by addressing or deescalating the incident.
- 2.4.5. Cases of Major or Gross misconduct will be addressed using the following disciplinary procedure.

3. Disciplinary Procedure

- 3.1. Allegations of misconduct can be raised by:
- LSST staff, and/or contracted staff
 - Another student, or a group of students
 - The Police and/or Law Enforcement Officer
 - Member of the public and/or visitors to LSST
- 3.2. The School must receive allegations within 10 working days of the incident. The person reporting the incident must provide their full name, contact information, and any supporting evidence. If, for any reason, such as safety, the individual was unable to disclose their details at the time of the allegation and/or failed to report the allegation within the 10-working-day deadline, such allegations will be evaluated on a case-by-case basis. However, anonymous allegations will not be accepted. The school will provide a written acknowledgement to the party reporting misconduct.
- 3.3. Third parties who make allegations will not be informed of the details of the investigation but will be informed of the outcome and actions taken.
- 3.4. Members of LSST, staff or students have the right to appeal the decision and outcome of a disciplinary proceedings within 10-working days of their notification of the outcome. Third parties, however, do not have the right to appeal, they may instead submit a complaint to the university expressing their concerns. Such complaints will be handled as per the Complaints Policies and procedures.
- 3.5. If there are allegations that a breach or breaches of the above Code of Conduct have occurred, the following procedures shall apply: The person making out the allegation that a student or students have breached the Student Code of Conduct will arrange for the documents in relation to that allegation to be passed as soon as possible to the Registry Department, who will either:
- Carry out an investigation of the allegation; or
 - In cases where the evidence already available clearly warrants it, proceed directly to a disciplinary Panel hearing.
- 3.6. At their discretion, the Registry Department will seek the advice of members of a relevant office, such as the Head of Security for disorder breaches, the Head of IT for computer misuse, and the Head of Admissions/ Assistant Registrar for documentary issues. If the incident occurs at a satellite campus, the Registrar may delegate the investigation to an appropriate member of staff who is not a member of the Disciplinary Panel (e.g., the Operations Manager or a Programme Leader).
- 3.7. If the Registrar believes that the student(s) should be suspended whilst the procedure is carried out, the procedure herein shall apply.

3.8. Initial Investigation

3.8.1. This procedure, that aims to be impartial and transparent, will be used to look, investigate, and address any reports of misconduct:

- Whether any violations of the Student Code of Conduct have occurred; and
- The severity of the breach, considering any aggravating or mitigating factors in the surrounding circumstances, including any previous penalties imposed on the student(s).

3.8.2. The Registry Department is responsible for gathering information about the incident or allegation. The Registry Department is ultimately responsible for informing the student and managing the investigation. Interviewing the student may be part of the investigation.

3.8.3. The investigation should normally be resolved within 10 working days of the incident. At the conclusion of the investigation, the Registrar may either:

- a. Dismiss the allegation(s) and notify the relevant parties of the dismissal;
or
- b. If there is a case to answer on the evidence available, decide whether if proved the breach would be Minor or Major.

3.8.4. The Registry Department will then notify the student of the decision via letter or email, and if necessary, will convene a Disciplinary Panel within 10 working days of the letter's date:

3.8.5. Where the Registrar decides to interview the student, the Registrar should make a decision as to a) or b) at the interview.

3.8.6. Where the Registrar decides to interview a student, they must give at least 5 working days' notice to the student by letter/email containing:

- i. A summary of the allegation made against the students.
- ii. A statement of the student's right to be accompanied by a friend or Student Union representative.
- iii. A statement of the student's right to see the documents relied on (where possible copies should be enclosed), and the student's right to ask questions to clarify the allegations and facts being alleged.

3.9. The Disciplinary Panel

3.9.1. If the Registrar decides that a Disciplinary Panel should be held, they will notify the student in writing at least 10 working days before the Panel takes place. That letter/email shall include and confirm:

- i. A statement of the allegation(s) to be considered and the purpose of the hearing;
- ii. Details of the date, time and place of the hearing;
- iii. Copies of any documentary evidence and description of other evidence (e.g., CCTV) to be considered in connection with the allegation;
- iv. That the student should submit a written statement of their version of the events and any evidence on which they wish to rely no later than 5 working days before the hearing date;
- v. A statement of the student's right to be accompanied by a friend or Student Union representative.

3.9.2. The Panel is normally chaired by the Dean of the relevant campus and includes the Registrar as well as a representative from the Student Union or Student Support. All members of the Panel will have no prior involvement in the case. This ensures fairness, maintains objectivity and avoids bias in the process.

3.10. Procedural Approach by the Disciplinary Panel

3.10.1. The Registrar's report, as well as the student's response, will be read aloud and considered alongside the supporting documentary evidence and witness statements.

3.10.2. The student may then make brief verbal comments on the accusations, and the Panel may question the student.

3.10.3. The panel will announce the decision after an internal confidential discussion.

3.11. Procedures to follow if a student fails to respond or attend:

- i. If a student notifies the Registrar in advance of the Panel meeting that they will be unable to attend the hearing on the scheduled date, and has provided a satisfactory reason for their absence, the Registrar will consider whether the hearing should be rescheduled. However, only one further attempt will be made to reschedule the hearing in order for the student to attend.
- ii. If the student does not attend the Panel meeting and does not communicate any reason for their absence to the Registrar, the Chair of the Panel will normally

proceed in the student's absence.

- iii. The Registrar is in charge of reconvening the Panel when necessary.

3.12. Decision of the Panel and imposition of penalties

- 3.12.1. The Chair of the Panel shall deliver the Panel's decision, which must be made by a majority vote of the Panel members on the balance of probability.
- 3.12.2. If the allegation against the student is upheld and penalties are to be imposed, the Chair of the Panel will request and consider a short summary of the student's current academic position and disciplinary record from the Registry Department. When deciding on disciplinary penalties to be imposed, the Panel will consider any previous penalties on file and will impose the penalties on an individual basis.
- 3.12.3. The Chair of the Panel will sign the written record of the Panel's decision on any penalties to be imposed. The Registry Department will keep the record, and a copy will be placed in the student's file.
- 3.12.4. A report will be made to the awarding body's Assessment/Progression Board, as appropriate. The Chair of the Assessment/Progression Board is responsible for ensuring that any academic penalty imposed by the Panel is carried out by the Assessment/Progression Board.
- 3.12.5. The Registry is responsible for notifying all relevant parties of the outcome of any hearing within 5 working days of the decision.

3.13. Penalties for breaches of the Student Code of Conduct Minor breaches:

- 3.13.1. The following penalties (in any combination) may be imposed for proven minor violations:
 - A first written warning of the potential consequences of future misbehaviour. The warning will be kept on the student's file indefinitely;
 - Payment by the student for the repair of damaged property or equipment, or payment of reasonable compensation;
 - Removing or limiting access to School facilities;
 - The requirement of an appropriate apology to any person.
- 3.13.2. Any of the sanctions listed above may be suspended (for up to 12 months) or made conditional (for example, on making an apology or compensating a victim).

If you use abusive language toward staff, you will automatically receive a written warning.

3.13.3. The following is a non-exhaustive list of likely minor breaches:

- Negligently or recklessly causing damage to property;
- Breaches of breaches of the Code of Conduct other than in cases of attempted or actual criminality (e.g., theft, burglary, harassment, or stalking) of the Code of Conduct;
- Students exhibiting behaviour, or engaging in any activity, whether within the School premises or elsewhere which is likely to damage the good name of the School. In particular, a minor breach will be deemed to have occurred in the event of drunken, disorderly, abusive, obstructive, destructive or other behaviour by a student where the said behaviour causes a nuisance ('Disorder').

3.14. Major Breaches:

3.14.1. Where the disciplinary procedures have been completed in relation to proven major breaches, the Chair of the Panel may, in addition to the penalties set out at above:

- Suspend the student either for a specified period, or until specified conditions have been met;
- Give a Final Written Warning (following which any subsequent minor or major breach will lead to exclusion);
- Exclude the student.

3.14.2. A non-exhaustive list of Major Breaches of the Code of Conduct is:

- Three or more incidents of disorder, or incidents of disorder leading to a criminal conviction (including a police caution);
- Criminal offences (other than motoring offences);
- Threatening or violent behaviour towards staff, visitors, or other students;
- Submitting falsified documents to the school;
- Intimidating witnesses or otherwise interfering with this or any other LSST disciplinary or appeal/complaints procedure;
- Failure to comply with conditions of a conditional penalty imposed under this Procedure;

- Failure to comply with a penalty imposed for a minor breach e.g., to apologise or compensate the victim;
- Minor breaches that are part of a repeated or systematic course of conduct or are aggravated by violence or discrimination/harassment/bullying.

3.14.3. For all more serious breaches of discipline related to DMU students, cases should be referred directly to the University. De Montfort University has its own formal disciplinary procedures, these procedures can lead to expulsion, suspension, restrictions, and other punishments that are dependent upon the severity of the breach. For more information on **DMU's** policy and processes see: <https://www.dmu.ac.uk/current-students/student-support/exams-deferrals-regulations-policies/student-regulations-and-policies/student-code-of-conduct.aspx> ; or contact acasupportoffice@dmu.ac.uk for more information.

4. Procedures Regarding Suspension or Exclusion

4.1. Exclusion or suspension of a student from the school includes exclusion from all School activities, including study at or with the school, as well as use of any School premises and/or facilities.

4.2. Suspension

4.2.1. A student may be suspended from the School while an alleged offence is being investigated if it is determined that such suspension is in the best interests of the School, its staff or students, or the student(s) concerned, or is required to ensure an effective investigation. Even if the alleged breach is otherwise a Minor Breach, a student will always be suspended if the alleged breach is covered by the School's Zero-Tolerance Policy against abusive language or threats of violence directed at its staff.

4.2.2. Serious violations of the Student Code of Conduct will almost certainly result in immediate suspension from the School until the matter is thoroughly investigated. A serious violation that results in suspension must be confirmed in writing within two business days.

4.3. Disciplinary Exclusions

4.3.1. The Disciplinary Panel may decide on an appropriate course of action, which may include immediate exclusion from the School, following the procedure outlined in paragraphs 4 through 9 above. Students will receive a Termination of Registration Letter informing them that they have been excluded from LSST if exclusion is implemented.

4.3.2. A non-exhaustive list of Major Breaches of the Code of Conduct that may justify expulsion are:

- Committing a serious criminal offence within the premises of the School or elsewhere (i.e., indictable only, or either-way offences serious enough to warrant immediate custodial penalty), or receiving a custodial sentence for a criminal offence;
- Keeping or using any offensive weapons, or any object that is deemed to be an offensive weapon, even if properly licensed, on School property;
- Repeated major breaches;
- Involvement in extremist activity in breach of the School's *Prevent Policy*;
- Assaults, sexual harassment, or violence against other students, visitors, or staff;
- Any Major Breach aggravated by discriminatory behaviour or bullying;
- Exclusion for non-payment of Tuition Fees.

4.3.3. If students do not satisfy the School's tuition fee payment criteria, by paying their fees in full or making approved arrangements either prior to registering on to their course, or by the due date on their instalment plan, they will be excluded from LSST.

4.3.4. The Exclusion Process will be initiated by a Suspension Letter being issued and it will result in immediate:

- Suspension of students on Student Records System (SMS);
- Communication to all staff that non-compliant students are no longer allowed to attend classes at LSST;
- Suspension of School services such as IT and Library facilities.

NBB: *Assessments arising on deadlines that coincide with the suspension period cannot be marked and examinations cannot be attended. Students cannot submit Mitigating Circumstances forms for assessments missed whilst they are suspended.*

4.3.5. If financial settlement is made within 30 days of the suspension date, the student's 'Suspended' status will be restored to 'Active', and all services will be reinstated. Students will receive an email notification of their status being reinstated.

4.3.6. Otherwise, the student will be dismissed. If exclusion is implemented, students will receive a Termination of Registration Letter/email informing them that they are no longer enrolled at LSST.

4.4. Personal Identification Exclusion

- 4.4.1. Registration at the School requires proof of identification. However, if a student is registered inadvertently using invalid personal identification or without producing identification, and the requested evidence is not provided within 10 working days of the Termination of Registration Notification, the student will be expelled from the School.
- 4.4.2. If a student's ID is not presented when required for campus entry or class registration, LSST reserves the right to refuse entry or, if sufficient proof of identity is provided, to charge a £5 duplicate ID fee to produce a temporary ID card.

4.5. Non-Attendance or Non-Engagement in Studies Exclusions

- 4.5.1. If the Assessment Board believes that a student is not complying with the Academic Regulations regarding submission of work for assessments or with the Attendance Policy regarding satisfactory attendance at classes, the School may initiate the Exclusion process, in which a student is sent a Termination of Registration Letter/ email.

4.6. Re-enrolments

- 4.6.1. Exclusion means that a person will no longer be a student at LSST (or any other validating university). Re-enrolment in the School is not permitted.
- 4.6.2. LSST will attempt to settle any tuition fee debt owed up to the exclusion date. Tuition fees may be reduced in accordance with our *Tuition Fee Policy* to reflect the length of time a student was registered.

5. Other Procedures

5.1. Criminal Offences

- 5.1.1. The following procedures apply where the alleged misconduct would also constitute a criminal offence if proven in a court of law.
 - a. Where the criminal law offence has been dealt with through a caution or 'on the spot' fine, or where the maximum penalty does not include imprisonment, action under this Policy may continue; however, such action will normally be deferred while the matter is under active police investigation or where charges have been brought but have not yet been brought to court.

- b. In the case of all other offences under criminal law, the victim should be offered support with reporting the matter to the police. No action (other than suspension) will normally be taken under this Policy until the criminal prosecution has concluded, if the case is currently being investigated or prosecuted in the criminal courts. Where the victim decides not to act in the criminal courts (as may be the case with sexual offence or domestic violence cases where the victim is reluctant to report the crime) action under this Policy may continue.
- c. Only in exceptional circumstances shall the School report an alleged crime to the police contrary to the wishes of the victim. If the victim will not report the crime to the police, or will not co-operate with their inquiries, the School's internal disciplinary procedures should not be invoked.
- d. Where the School continues with its own Panel following a court conviction, the School shall accept the conviction as conclusive proof that the breach was committed, and the penalty imposed by the court shall be taken into consideration by the School in deciding its own penalty.
- e. Proceedings under this Procedure are separate from and additional to the criminal law. A Student is not exempt from this Procedure simply because they have been convicted of a criminal offence arising out of the same set of facts and no defence of double jeopardy can be claimed.

5.2. Licensed Premises

- 5.2.1. When an alleged incident occurs on licensed premises (whether on School premises or elsewhere), the licensee may face both proceedings under these regulations and exclusion, barring, or suspension of access to the licensed premises under general law.
- 5.2.2. Proceedings under this Procedure are distinct from and in addition to any decision by a licensee to exclude, bar, or suspend access to licensed premises. A student is not exempt from these regulations simply because a licensee made a decision based on the same set of facts, and there is no defence of double jeopardy.
- 5.2.3. No decision made under these regulations may overrule, reverse, or amend a licensee's decision regarding licensed premises.

5.3. Fitness to Practice and professional or regulatory requirements

- 5.3.1. Where allegations are made against a student on a professionally accredited course or are members of a professional body, the School may:

- a. Notify the relevant body of the matter; and/or
- b. Take separate action (in addition to any action under this Procedure) under its Fitness to Practise Policy. The School may use any evidence compiled pursuant to this Procedure in any Fitness to Practise proceedings.

5.4. Prevent and Safeguarding

- 5.4.1. Mistreatment or abuse of vulnerable people will always be considered a Major Breach, and the Designated Safeguarding Officer for the relevant campus will be invited to attend the Disciplinary Panel. Local governments may be informed and consulted as needed.
- 5.4.2. Where allegations of misconduct indicate a risk of the student being drawn into extremism or radicalization, the misconduct will always be treated as a Major Breach, and the SPOC (if different from the Principal/CEO) will be invited to the Disciplinary Panel. If necessary, a Channel referral may be made and/or the Police may be notified.

6. Students' Right to Appeal

- 6.1. In accordance with this Procedure, the student has the right to appeal the Panel's decision.
- 6.2. An appeal against a Panel decision must be made in writing (by letter or email), stating the full grounds for the appeal, and must be submitted within 10 working days of receipt of the decision notice by letter or email.
- 6.3. If it is agreed that an appeal should be conducted, the decision should be reviewed as soon as possible, and in any case within 10 working days of the request for appeal.

6.4. Grounds for appeal

- 6.4.1. Requests for an appeal a decision of the Disciplinary Panel will only be considered on the following grounds:
 - The penalties were unreasonably severe given the circumstances of the case;
 - The findings of fact in support of the decision were manifestly perverse and/or there is clear third-party corroborated evidence of bias;
 - That the hearing/interview was not conducted in accordance with the procedures set out herein;

- New evidence which was not available to the Panel when it reached its decision and the student had a good reason for not including the evidence in their case.

6.4.2. The student should address their letter or email to the Registrar and the burden of proof is on the student to demonstrate the reason for the appeal. The Registrar may reject any request for appeal which is not submitted within the time limit set out in paragraph 11.4 or does not demonstrate one or more of the grounds specified in paragraph 11.3. If the request for appeal is rejected the student will be informed within 5 working days of their letter to the Registrar.

6.5. Procedure for an appeal of a decision of the Registrar or the Panel:
