MAYOR OF LONDON

The LSST Skills Bootcamp, Management for Financial & Professional Services consists of the LSST Leadership & Management Programme, assured by ILM (Institute of Leadership & Management) combined with specialist financial training in Xero Accounting led by an industry expert.

What You'll Gain?

Guaranteed Job Interviews

At the end of the program, you'll have at least one interview with carefully matched employers who are actively recruiting.

Professional Portfolio & Certificates

You'll receive a certificate documenting the high quality management and finance skills you have developed.

A separate certificate will be issued for the XERO accounting training you receive.

Networking Opportunities

Meet industry professionals and like-minded peers to expand your network.

Expert advice and support into employment

You will have access to support from our expertly trained career support advisors who are committed to your progress.

Daily Travel Allowance

Receive daily travel allowance, reimbursed at the end of each day.

What is involved

- 10 days of workshops at our new campus in Wembley Park
- Talks from guest employers
- Breakfast and lunch provided
- All reasonable travel expenses paid

Flexible and Convenient Schedule

The Skills Bootcamp is divided into groups for tailored and focused training. Find your group below:

Cohort 4: 12th January - 30th January 2026
